Rochester Hills' Festival of the Hills Fireworks Show Postponed

Rochester Hills, MI – Due to the COVID-19 pandemic and current guidelines for physical distancing at mass gatherings, the City of Rochester Hills has made the difficult decision to postpone the Festival of the Hills event scheduled for Wednesday, June 24th at Borden Park.

Throughout the COVID-19 pandemic, the City's goal has been to keep the community healthy and safe. While we are proud that the Festival of the Hills is Oakland County's largest fireworks show, the safety of our community is of utmost importance.

We look forward to celebrating with our community in the near future. Until then, please stay safe and be mindful of the health and safety of others. We are in this together and will get through this together.

Established in 1984, the City of Rochester Hills is a prosperous community offering residents and businesses superior services. Voted one of the top places to live by several sources including *CNNMoney* magazine, Rochester Hills is committed to sustaining its position among the nation's preeminent places to live, work and raise a family. Through the city's focus on health, education, and technology; the community continues to attract forward-thinking leaders and businesses.
